MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 1 to Contract No.

Project AQUATONE

25X1A2g

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 6.

2. Contract No. HF-6524 provides for the services of technicians trained by General Precision Laboratories, Incorporated in the operation and maintenance of Air Force Radar Navigation Systems at places within the ZI and overseas, on temporary and permanent change-of-station status for the period 17 March 1957 through 30 June 1957. Continuation of services during Fiscal Year 1958 will be covered by a standard Air Force contract issued by the Dayton, Ohio office.

3. The definitive contract allocates an amount not to exceed [REDACTED] during Fiscal Year 1957 chargeable to Project [REDACTED] against funds transferred by the Department of the Air Force.

4. This Amendment No. 1 provides for additional funds in the amount of [REDACTED] which is required to cover the costs of the services rendered. The amount of [REDACTED] should be charged during Fiscal Year 1958 against "No Year" funds transferred to the Agency by the Department of the Air Force. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this additional obligation.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
